*Looking back at your notes from this week's message, was there anything you heard for the first time, stuck with you, challenged or confused you?*

*What is the one important thing you will take away from this weekend's message or our community group discussion? Is there any challenge, difficulty or praise that you would like to share with the group for prayer?*

## GROUP DISCUSSION

1. Open with prayer. (2-5 min)
2. Share your story ... *What is unique about the way you worship God? How is it different from all the other ways you interact with God?* (7-10 min)
3. Discuss these questions with your group. (20-45 min)

*"I notice that some of the songs we sing seem to come from churches with potentially questionable theology. What's up with that?"*

If the lyrics of a worship song are consistent with Scripture, does the composer's motives matter? Does his or her theology matter? Where do you draw the line? Explain.

*"What exactly is the New Covenant?"*

Describe a contract or covenant that you willingly entered into. If you could modify that agreement, what changes would you make (if any)?

If you are a believer, what are you agreeing to in the New Covenant?

*"What do you do when you don't feel like worshiping God? I want to but sometimes I just don't feel like it."*

How much do your emotions play a role in your typical worship experience?

React to the following statement ... *"In preparation for worship, God simply wants you to acknowledge what's in your heart, what He can plainly see is true."*

## PLAN OF ACTION

Set aside at day and time this week when you can be by yourself, perhaps light a candle, and spend some time worshipping God. Keep this scheduled commitment, and come before God in that moment, *no matter how you feel.*
