

Crossroads Church Council Agenda  
January 2019

Our next meeting is scheduled for Wednesday Jan 9 at 6:30pm at NG Campus. This meeting will be a joint meeting with the Trustees to cover two issues.

First item is to talk about the land at Thornton Campus and the proposed attainable housing development of it. We have invited Andrew Chapin and Steve Kunshier from Unison (Adams County Housing Authority) to share next steps, as we continue to do our due diligence in discerning this vision.

The plan is for them to bring:

- Total cost of project with estimated costs for Crossroads.
- A draft "memo of understanding" so that we can see what a partnership would look like.

We will have plenty of time for questions and conversation.

Second, we will spend a few minutes addressing the logistics of the succession vote scheduled for our business meeting on Jan 27 at the Thornton Campus.
