

Church Council Agenda
Wednesday, May 1, 2019

We have our council meeting tomorrow at 6:30 at the Northglenn Campus. Here is our agenda items:

1. Opening and prayer - Gavin (5 mins)
2. Possible congregation survey - Gavin (20 mins)
 - A congregation member has requested that the church council consider a survey to be given to the congregation. The survey is attached.
 - Gavin will add context at the meeting
3. Policy discussion about how to handle allegations toward staff - Gavin (30 mins)
 - Our constitution reads, "Church Council handles any complaints or concerns regarding the Senior Pastor." In light of recent happenings within the Church (Hybels, MacDonald, SBC), it would be good to have a policy for how to handle allegations if they were to ever come.
 - The Global Leadership Network has rewritten their policies in light of the Hybels situation. We are in conversation with the GLN to see if they will give them to us.
4. Staffing Update
 - There are several staff changes that we need to discuss as we move forward into the next budget year.

See you all tomorrow!
