Chip opened the meeting with prayer.

We discussed the purchase of playground equipment at Thornton. Chip said the we currently have playgrounds at all three campuses that are covered by our liability insurance and that we would not need additional coverage. The insurance company suggested we have a fence around the park area and also to include signage stating something like “use at your own risk” or similar language. Laura said that a fence is essential because the kids would have to cross a street to access the area and a fence would help ensure the kids wouldn’t run back out into the street. Council voted on moving forward with this project and it passed unanimously.

We reviewed the Book Development Agreement. Kim, Matt and Doug Schmidt will work together to write a book about how Crossroads transitioned from Kim to Matt as senior pastor over a five year span. Doug would do most of the writing. All three agree that the book would be the property of Crossroads Church. The Agreement outlines how proceeds would be shared after cost of production were paid. Council voted to accept the Agreement and it passed unanimously.

The Unstuck Group secret shopper results for Northglenn and Thornton were discussed. The specifics will be discussed with the campus pastors in the near future.

Council spent the remaining 45 minutes in prayer.
