Matt discussed the campus structure that was recommended by the Unstuck consulting group. Council voted on this and approved it unanimously.

Crossroads will have a virtual business meeting on July 26. Jeff will be presented to the church as the new moderator and the church will vote to approve this position.

The church offices will probably open in June but with many restrictions. Any time a non-staff member comes into the building staff will need to wear gloves and masks. Matt has a meeting with the governor on Tuesday and more details will be available after that meeting.

The June Council meeting will be presented with a six month budget. It's a six month budget due to the corona virus.

Pray for Brando Perez who is in Good Samaritan Hospital with COVID-19 symptoms.

Matt closed the meeting with prayer.
