

FRIDAY BUILDING POLICY

As of January 1, 2019, Crossroads Church limits the use of the facilities on Friday. The limits are as follows:

- The scheduling of the facilities by staff on Fridays is prohibited*
 - We realize there are exceptions:
 - Administrative staff and Maintenance teams are working on Fridays.
 - Funerals may be scheduled on Fridays at the discretion of the officiating Pastor.
 - Good Friday
 - Christmas Eve and Halloween (when it falls on a Friday)
 - GLS (for core staff)
 - Any other event must be approved by Pastor Bruce or Pastor Matt
- The building may be scheduled on Fridays by anyone else.
 - Exceptions to this are as follows:
 - No scheduling when the office is closed (e.g., Good Friday, the Friday after Thanksgiving, etc...)
 - No scheduling if tech needs (audio, visual, computers) are required.

Should you have further questions, contact Pastor Bruce.

* The heart behind this policy from Pastor Matt: One of my convictions when it comes to my role as senior pastor is to help the staff have regular rhythms of sabbath. I feel that it is a moral imperative for me, as a leader, to make sure the staff is spending time “being with God” not simply “doing for God.” I care deeply about your relationship with God, not just the work that happens in the confines of the ministry. The reality is that we have an incredibly hard working staff and our tendency is to lean toward doing. I never have thoughts of wondering if you are working. I know you are! My anxiety comes from wondering if your taking time to rest in God. That is the heartbeat of this policy. Not rules for rules sake, but boundaries to keep us moving in healthy directions.
