

Jeff Tompkins – Crossroads Bio

Jeff Tompkins, along with wife Michelle and daughter Lily, have been attending Crossroads Church at the Thornton location for the last 4 years. Prior to that, the Tompkins attended and served at Colorado Ridge Church in Westminster for 13 years. At Colorado Ridge, Jeff served on the business board and the elder board (the equivalent of the Church Council), led the men's ministry and worked as a volunteer executive pastor for a time. Originally from Houston, TX (much to Pastor Kim's delight), Jeff grew up in the church and found Christ as a 1st grader. He currently leads a men's group and (with Michelle) a Community Group at Crossroads, serves on the Hospitality Team, serves on a development board with the City of Thornton, and by day works in corporate real estate. Jeff and Michelle have been married for 17 years, and Lily (12) keeps them hopping with her involvement in the youth group, sports and school clubs (back when that was a thing!). Jeff has a passion for life on life discipleship and fostering real community among those striving after God and seeking Him.
